On behalf of the Organizing Committee of the E-palli International Conferences (EIC) on STEM (Science, Technology, Engineering, and Math, and BAS (Business, Arts and Social Science) on 23- 24 December 2022 at Kuala Lumpur, Malaysia, we invite you to participate in the conference as a sponsor. EIC 2022 is a top-tier international conference spanning academia, researcher, and industry.

It aims to foster communication and knowledge transfer between researchers and practitioners by promoting STEM and BAS innovations and technologies in industry and raising public awareness. With a strong focus on the active participation of early-career researchers, EIC is recognized as the gathering place for current and future professional and industry leaders and innovators to discuss and present the state of the art in connecting people with science, technology and innovation.

EIC sponsors contribute towards success of the conference and at the same time gain greater visibility among top international researchers and research students within their domain. Your financial support will ensure that the costs of the conference remain accessible for students and young researchers, and will improve the quality of the conference experience for all attendees worldwide. Moreover, as a sponsor, you will have the opportunity to showcase your company to over 300 academia and researchers from all over the world.

The conference organizers are also happy to discuss alternative opportunities to best suit your needs. If you have any creative or interactive ideas of activity we would be interested to talk to you about how we can incorporate them into a personalized package. All sponsorship levels are quoted in US dollar.

We offer three tiers of sponsorship as described in the packages below:
